

SUGGESTED USE: ADULTS AND CHILDREN OVER 12:
Shake well before using. Take 1 tablespoonful mixed with 4 to 8 ounces of liquid once or twice a day on an empty stomach. Drink additional fluid during the day. To help settle the stomach, bentonite can be taken after a meal.*

Store at room temperature or in the refrigerator. Keep lid tightly closed to protect contents.

QUALITY ASSURANCE: Yerba Prima's products are made only from premium quality ingredients.

Note: All bentonite products contain some chemicals from the bentonite clay. Most agricultural products also contain some chemicals from the soil. Bentonite passes through the body mostly undigested.

Yerba Prima®

16 FL OZ (473 ML)

Great Plains Bentonite for Alimentary Detoxification - Binds herbicides and other potentially harmful substances by adsorbent action*

Great Plains Bentonite for Maximum Activity - The total surface area to grab toxins in one tablespoon serving is over 8,100 square feet, more than the floor surface area of four average size 2,000 square foot homes.

Great Plains Bentonite for Maximum Purity - Ultra-pure and contains the most active type of bentonite, known as montmorillonite, for maximum benefits.

Great Plains Bentonite is a mineral source dietary supplement that traps and binds unwanted, non-nutritive substances such as herbicides and other potentially harmful substances. Bentonite's mechanism of action is physical, due to its colloidal structure and charged particles. Great Plains® is a unique naturally occurring bentonite with the proper mineral composition for maximum ability to remove unwanted substances.*

*This statement has not been evaluated by the Food and Drug Administration. This product is not intended to diagnose, treat, cure or prevent any disease.

SAFETY SEALED: Do not use this product if seal under cap is broken or missing.

NOTICE: As with all bentonite supplements, do not take within 1 to 2 hours of prescription medications. If you are pregnant, nursing, taking medication or are under a doctor's care, consult a health professional before use. In case of intestinal discomfort during use, reduce amount used or discontinue usage. Keep out of the reach of children. California residents only: Proposition 65 **WARNING:** This product contains a chemical known to the State of California to cause cancer and birth defects or other reproductive harm. For more information about Prop 65, see www.yerbaprima.com.
