@CountryLifeVitamins

Looking for an energy boost? It also try...

- Coenzyme B-Complex
- Essential B Vitamins in its active "coenzymated" form into the body.*
- Suitable for vegetarians and vegans.

More than just DHA and PS added together...

The DHA is woven into the backbone of the PS which allows the body to immediately recognize this structure as body ready.^{††}

Clinically shown to support the following benefits^{††}:

Memory^{††}

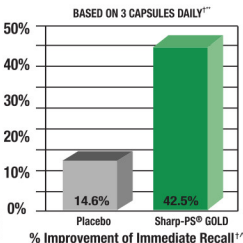

Increased Mental Clarity^{††}

Faster Recall^{††}

Brain Health^{††}

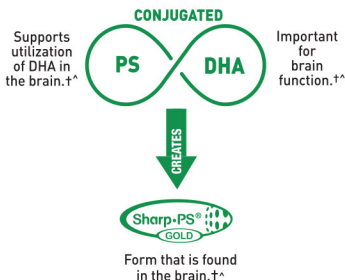

Based on a randomized, double-blind, placebo controlled study among an elderly population. (unpublished, Enzymotec).

Sharp Thought®

Contains a very special conjugated complex of phosphatidylserine (PS) and DHA, an Omega-3 fatty acid.

The exacting science of conjugation allows the body to achieve the exact form that it can recognize.
