Strengthens Bones, Teeth & Gums

PowerCal™ is a powerful formula that includes calcium and other nutrients that bolster calcium's efficacy.

Calcium is vital for strong bones and teeth, and healthy gums. It also helps to maintain a regular heartbeat, and aids in muscle contraction and neurotransmitter release.

The Zahler® PowerCal™ formula harnesses the advantages of calcium plus it includes a full complement of nutrients that act collectively to prevent bone loss, lay down new bone growth and increase bone mass.
