

The combination of Amla and Turmeric is a classical Ayurvedic formula known as Nisa Amalaki. This potent antioxidant supports healthy levels of blood glucose, lipids, and triglycerides already within the normal range. It optimizes the function of nervous, immune, respiratory, digestive and cardiovascular systems.*

Amlowin™, our maximum potency Amalaki extract is fortified with full spectrum organic Turmeric. Synergized with Triperine™, our proprietary extract of Ginger, Black Pepper, and Piper Longum boosts absorption, bioactivity, and efficacy.*

SUGGESTED USE: 1-2 capsules once or twice daily with or after meals or as directed by your healthcare practitioner.

CAUTION: Keep out of reach of children. Protect from heat, light, and moisture. Do not use if inner seal is missing or broken. Pregnant and nursing women, individuals taking medications, or persons with a health condition should consult their healthcare professional before using this product.
