

Arjuna is the most revered and vital herb in Ayurveda for Cardiovascular support.* It may aid in heart muscle oxygenation, regular heart rate, and blood pressure.* It may also assist in maintaining healthy lipid and triglyceride levels.*

Cardiona™, our maximum potency Arjuna extract, is harmonized with the whole spectrum herb. It is synergized with Triperine™, an exclusive extract of Ginger, Long pepper, and Black pepper to boost absorption, bioactivity, and efficacy.* Our unique cutting edge Liposomal technology facilitates enhanced bioavailability and cellular uptake. *

SUGGESTED USE: 1-2 capsules twice daily before or with meals or as directed by a healthcare practitioner.

CAUTION: Keep out of reach of children. Protect from heat, light, and moisture. Do not use if inner seal is missing or broken. Pregnant and nursing women, individuals taking medications, or persons with a health condition should consult their healthcare professional before using this product.
