

Vitamin D3

Vitamin D3 is a crucial nutrient for overall health. Yet millions of individuals are deficient in this life sustaining vitamin. In addition to supporting bone health, research shows that D3 deficiency is linked to a host of conditions that present serious health risk.

You may need additional supplements to support a healthy diet, consult your nutritionist for a formula that is right for you, or call us toll free at 877-ASK-ZAHLER (877-275-9245)
