A Safety Net for Your Health

Eating organic, fresh cut, clean fruits and vegetables keeps our blood pressure normal, our gut functioning as intended and our brain getting all of the nutrients it needs to carry out those important tasks. Without them, all kinds of health issues can happen including upset stomach, weakened immune system, lack of energy, depression and even weight gain. LiveGood Super Greens is like a safety net for your health by filling in the nutrient gaps that our diets are not providing us. Since our bodies never stop working, we need to feed them with the most nutrient packed foods possible. And nothing is more perfectly suited for the job than LiveGood Super Greens. Help improve digestion, support immunity, boost energy and feel more vibrant with just one delicious scoop each day!

Caution: Pregnant or nursing women, children under the age of 12, and anyone who is or has been under the care of a physician are advised to consult a health care professional before using this product.
