Elaine Alexander, the late Canadian health researcher and radio producer/broadcaster, collaborated exclusively with Flora to produce **Flor•Essence®**. This purification tea was entrusted to Elaine by Dr. Charles Brusch, M.D., personal physician to the late President John F. Kennedy. Dr. Brusch was a partner in research and co-owner with the famous Canadian nurse, Rene Caisse, in perfecting this formula at his Cambridge, Massachusetts, clinic. **Flor•Essence®** is the only product on the market authorized to carry Elaine's signature on the packaging to vouch for its historical authenticity.

Elaine Alexander, renombrada productora y comentarista de radio e investigadora de productos naturales para la salud, colaboró en exclusividad con Flora para la producción de **Flor•Essence®**, tisana de ligero sabor amargo con propiedades altamente depuradoras. Los intensos trabajos de investigación llevados a cabo por Elaine convencen al Dr. Charles Brusch, médico personal del presidente Kennedy y propietario, conjuntamente con la famosa enfermera canadiense Rene Caisse de la fórmula de **Flor•Essence®**, para confiarle dicha fórmula a fin de perfeccionarla en su clínica de Cambridge, Massachusetts, transfiriéndole luego todos sus derechos sobre ella. **Flor•Essence®** es el único producto en el mercado autorizado a llevar la firma de Elaine como garantía de su autenticidad histórica.
