Drink To Your Health

Take care of your heart and tantalize your tastebuds with this blend of purple tea, ube, lucuma, and creamy coconut.

Purple Tea

A vibrant hued tea hailing from the Kenyan highlands.

Ube Yam

A low glycemic vegetable thought to promote heart health and digestion.

Lucuma

A mildly sweet Andean fruit thought to support healthy gut bacteria.

INSTRUCTIONS

Mix with 6oz hot water or milk of your choice. Froth and add sweetness to taste.

ENJOY!

We are here to fill your life with the incredible power of plants. Our products are crafted from the world's most nourishing, climate-smart plants to deepen the health of our planet and our bodies with potent nutrition you can feel. By cultivating them in collaboration with small farming communities across the globe, our plants build brighter futures. Just imagine what they can do for you.
