- Strengthens bones with 1,100 mg calcium*
- Supports heart health with omega-3 fatty acids*
- Promotes digestive health with enzymes*

30 PACKS

WOMEN'S ULTRA MEGA® WELLNESS

GNC Women's Ultra Mega® Wellness Vitapak® Program conveniently combines nutrients that support a woman's overall nutritional needs with focused ingredients to promote bone health, digestive support, cardiovascular health and mood.*

- **Women's Ultra Mega® without Iron and Iodine** – Our premium timed-release, clinically studied* formula includes vitamins and minerals to supplement key nutrients that may be missing in your daily diet. Women's Ultra Mega® contains 1,600 IU of vitamin D-3 for breast and bone health and immune support, as well as B-vitamins that are important for cardiovascular health and energy production.* It's enhanced with 500 mg of bone-strengthening calcium; a beauty blend; and features a broad spectrum of cell-protecting antioxidant nutrients that also support immune health.*
- **Super Digestive Enzymes** – Enhanced with n-zimes®, a proprietary blend of digestive enzymes, with proven bioactivity. n-zimes® are active in both acidic environments of the stomach and the alkaline environment of the small intestine. Lab tests show that n-zimes® work throughout the digestive tract, contributing to a more complete digestion of nutrients.* This superior formula helps promote protein, carbohydrate and fat digestion.*
- **Fish Oil** – Fish oil provides heart healthy omega-3s, essential long chain fatty acids that play a critical role in everyday body functions. Each daily serving provides 300 mg of omega-3 fatty acids. The omega-3 fatty acids found in fish oil are necessary for heart, joint, skin and eye health.* They help maintain healthy cholesterol levels and are necessary in the maintenance of normal blood pressure.*
- **Calcium 600** – Contains 400 IU of vitamin D-3 and 600 mg of calcium per serving. These important bone-strengthening components are essential for bone health and teeth.*
- **Balanced Mood Support** – Combines an exclusive blend of herbs, such as passion flower and rhodiola, with L-theanine. L-theanine, naturally found in green tea, has been used since ancient times for its calming and relaxing benefits.*

The Women's Ultra Mega® Wellness Vitapak® Program provides 1,100 mg of calcium and 2,000 IU of vitamin D-3.

*In a randomized, double-blind, placebo-controlled study of 112 healthy volunteers, subjects taking the GNC vitamin and mineral blend in this product for six weeks experienced statistically significant improvements in markers of B vitamin and antioxidant status, as well as improvements in SF-36 Vitality and Mental Health scores compared to those taking a placebo.
