

Use Suggestion:

1. Prior to use, shake the liquid dropper bottle well to ensure thorough mixing of ingredients.
2. The suggested daily dosage for adults is 1ml drops per serving.
3. Add the drops to water, juice, or another beverage, stir well, and consume. Alternatively, you can place the drops directly under your tongue, holding for a moment before swallowing.

Warning:

If you are pregnant, breastfeeding, have any underlying health conditions, or are currently taking medications, please seek guidance from your healthcare provider before using this product.

Storage:

Store the liquid dropper in a cool, dry place away from direct sunlight. Ensure it is out of reach of children.
