Product #4950

This bottle is made from 100% PCR (post-consumer recycled) resin.

Caution: For adults only. Consult physician if pregnant/nursing, taking medication, or have a medical condition. Keep out of reach of children. Contains Xylitol, which is harmful to pets.

*These statements have not been evaluated by the Food and Drug Administration. This product is not intended to diagnose, treat, cure or prevent any disease.

Suggested Usage: Take 1 lozenge 1 to 2 times daily. Chew lozenge or hold in mouth until dissolved and swallow.
Vitamin B-12 is necessary for the production of energy from fats and proteins and is well known for its critical role in DNA synthesis, as well as in homocysteine metabolism.* Methylcobalamin is the co-enzyme form of vitamin B-12 that has been found to be especially critical in the maintenance of a healthy nervous system.* Dietary sources are almost exclusively of animal origin (meat and dairy) and supplementation with B-12 may be especially important for strict vegetarians. Our Methyl B-12 is vegetarian/vegan (non-animal derived).

Supplement Facts

Serving Size 1 Lozenge

	Amount Per Serving	% Daily Value
Vitamin B-12 (as Methylcobalamin)	1 mg (1,000 mcg)	41,667%

Other ingredients: Xylitol, Hydroxypropyl Cellulose, Microcrystalline Cellulose, Citric Acid, Stearic Acid (vegetable source), Natural Flavors, Organic Stevia Leaf Extract (Enzyme-Modified Steviol Glycosides) and Organic Monk Fruit Extract.

Not manufactured with wheat, gluten, soy, milk, egg, fish, shellfish, tree nut or sesame ingredients. Produced in a GMP facility that processes other ingredients containing these allergens.

Natural color variation may occur in this product.

Store in a cool, dry place after opening.
