

NATURE'S BLESSING™

Nattokinase

100 mg

*Cardiovascular Health**

60 Veg Capsules

A Dietary Supplement

Suggested Usage: Take 1 capsule 1 to 2 times daily on an empty stomach.

Nattokinase is an enzyme isolated from natto, a traditional Japanese fermented soy food.* Natto has been consumed for thousands of years for its numerous health promoting properties.* More recently, both clinical and non-clinical studies have demonstrated that nattokinase can help to promote heart and circulatory health by supporting normal blood clotting functions.* Our Nattokinase is derived from non-GMO soy and has 2,000 FUs (Fibrinolytic Units) per 100 mg serving.

*These statements have not been evaluated by the Food and Drug Administration. This product is not intended to diagnose, treat, cure or prevent any disease.

Caution: For adults only. Do not use if pregnant or nursing, taking "blood thinning" medications (anticoagulants) (such as aspirin, warfarin, heparin), or if you have any ongoing bleeding/coagulation problems (including but not limited to: active ulcer, recent surgery/trauma, hemophilia). Consult physician if you have a medical condition (including uncontrolled high blood pressure [equal to or higher than 200 mmHg/110 mmHg]). Keep out of reach of children.

Natural color variation may occur in this product.
