

NATURE'S BLESSING™

Vitamin D-3

5,000 IU - High Potency

Helps Maintain Strong Bones*

Supports Immune System*

120 Softgels

A Dietary Supplement

Suggested Usage: Take 1 softgel daily with a fat-containing meal, or as directed by your healthcare practitioner.
Our Vitamin D-3 softgels supply this key vitamin in a highly-absorbable liquid softgel form. Vitamin D is normally obtained from the diet or produced by the skin from the ultraviolet energy of the sun. However, it is not abundant in food. As more people avoid sun exposure, vitamin D supplementation becomes even more necessary to ensure that your body receives an adequate supply.

*These statements have not been evaluated by the Food and Drug Administration. This product is not intended to diagnose, treat, cure or prevent any disease.

Caution: For adults only. Do not exceed the recommended dose. Consult physician if pregnant/nursing, taking medication (especially topical psoriasis medications or thiazide diuretics), or have a medical condition (especially hypercalcemia, kidney disease, or hyperparathyroidism). Keep out of reach of children. This bottle is made from 100% PCR (post-consumer recycled) resin.
