

NATURE'S BLESSING™

Vitamin D-3

High Potency - 1000 IU

Highly Absorbable

180 Softgels
A Dietary Supplement

Suggested Usage: Take 1 softgel daily with a meal.
Our Vitamin D-3 softgels supply this key vitamin in a highly absorbable liquid softgel form. Vitamin D is normally obtained from the diet or produced by the skin from the ultraviolet energy of the sun. However, it is not abundant in food. As more people avoid sun exposure, vitamin D supplementation becomes even more necessary to ensure that your body receives an adequate supply.
