NOT A LOW CALORIE PRODUCT

DIETARY SUPPLEMENT
20 FL. OZ. (1.25 PT) (591 mL)

If you're an athlete who wants to get the best results from your workout, then Extreme NOS Pumped should be your number one choice for a pre-workout RTD! Extreme NOS Pumped contains Arginine, an amino acid involved in the formation of nitric oxide.* During workouts, nitric oxide production can help support circulation and nutrient delivery to active cells.* Our Extreme NOS Pumped Complex also contains Citrulline Malate. Extreme NOS Pumped contains Glycerin, which may help support body hydration, and 200 mg of Caffeine to promote energy flow.*

DIRECTIONS FOR ADULT USE ONLY: Drink one (1) bottle per workout session as follows: 1/2 before and the balance during the course of your workout. Do not exceed 1 bottle per workout session or more often than every four hours. Limit use to no more than two (2) bottles in a 24-hour period. As a reminder, discuss the supplements and medications you take with your health care providers.

Supplement Facts

Serving Size 1 Bottle (20 fl. oz.)
