— WARNING —

For use by healthy adults only. Not recommended for persons under the age of 18. Do not use if you are pregnant or nursing. Individuals should not consume other caffeinated products in conjunction with this product. Seek advice from a healthcare professional before taking if you have any pre-existing medical conditions to ensure it is safe for you to use. In case of accidental overdose, contact a poison control center immediately. Avoid alcohol and prescription stimulants while taking this product. Exceeding the recommended serving size will not improve results and may cause adverse health effects. Discontinue use and consult a physician if you experience rapid heart rate, loss of vision, dizziness, or shortness of breath.
