DIETARY SUPPLEMENT

RESPIRATORY SYSTEM SUPPORT*

Quality herbal supplements may improve respiratory function and help the body fight respiratory tract irritation that can be brought on by smoke, pollutants and other irritants. The components of this 30-day program are formulated and traditionally used to support proper respiratory function. They may also help the body combat the effects of environmental respiratory irritants.*

CONTENTS

AM Packet

- 1 Lung Support TCM capsule
- 2 Bronchial Formula capsules
- 3 Seasonal Allergy (formerly ALJ) capsules

PM Packet

- 2 Bronchial Formula capsules
- 3 Seasonal Allergy (formerly ALJ) capsules

Respiratory System

RECOMMENDED USE: Take the contents of one AM packet with breakfast; take the contents of one PM packet with your evening meal. Follow this pattern for 30 days.

Pregnant or lactating women should consult their health care provider prior to taking this supplement.
This carton was sealed for your protection. Do not use if seal is missing or damaged. Nature's Sunshine uses natural source materials that are subject to color variation.

LUNG SUPPORT TCM

A Chinese herbal combination with ingredients traditionally recognized as tonics to moisten and nourish the tissues of the respiratory tract, particularly the lungs.*

BRONCHIAL FORMULA

An Ayurvedic herbal formula designed with ingredients traditionally used to nourish the lungs and bronchi and to offer general protection to the respiratory tract.*

SEASONAL ALLERGY (formerly ALJ)

Herbs in this formula traditionally support the respiratory system. These herbs are traditionally used to help soothe irritated mucous membranes and support respiration.*

MAXIMIZE THE BENEFITS

- Eat a healthy and balanced diet
- Increase your physical activity
- Drink plenty of water throughout the day
