

DIRECTIONS: Take one capsule 15 minutes before meals as needed.

Many foods contain histamine and/or cause the release of histamine in the gut. Diamine Oxidase (DAO) is the primary enzyme responsible for the breakdown of dietary histamine. **OmneDiem® Histamine Digest** delivers natural-source DAO in a designed-release capsule that dissolves in the small intestine, where it acts directly on dietary histamine to support digestive health and comfort.*

***These statements have not been evaluated by the Food and Drug Administration. This product is not intended to diagnose, treat, cure, or prevent any disease.**

STORAGE: Keep closed in a cool, dry place out of reach of children.
Do not use if tamper seal is damaged.
