

SOFTGEL
SIZE

CODE 0372 V6

Caution: For adults only. Do not exceed the recommended dose. Consult physician if pregnant/nursing, taking medication (especially topical psoriasis medications or thiazide diuretics), or have a medical condition (especially hypercalcemia, kidney disease, or hyperparathyroidism). Keep out of reach of children.

SUGGESTED USAGE: As a dietary supplement, take 1 softgel every 2 days with a fat-containing meal, or as directed by your healthcare practitioner.

NOW® Vitamin D-3 softgels supply this key vitamin in a highly-absorbable liquid softgel form. Vitamin D is normally obtained from the diet or produced by the skin from the ultraviolet energy of the sun. However, it is not abundant in food. As more people avoid sun exposure, Vitamin D supplementation becomes even more necessary to ensure that your body receives an adequate supply.*

SUGGESTED USAGE: As a dietary supplement, take 1 softgel every 2 days with a fat-containing meal, or as directed by your healthcare practitioner.
