

Masszymes is a proteolytic enzyme formulation designed to aid digestion and support digestive issues.[†] Each capsule contains a Protease level of 107,333 HUT to help break down proteins, and 15 other enzymes that assist in the breakdown of fats, starches and sugars.[†] These full spectrum enzymes are designed to be taken with your meals and protein shakes.[†]

Directions: Take 3 capsules daily, ideally with your meals, or as directed by a healthcare practitioner. Store in a cool, dry place.

Caution: Keep out of reach of children. Do not use if imprinted seal under cap is broken, damaged, or missing. Do not use if ulcer or gastritis are present. As with any product, consult a healthcare practitioner prior to use, especially if you are pregnant or nursing, have a serious medical condition, or use any medications. Discontinue use if adverse effects occur.
