

DIRECTIONS | Mix 1 scoop with 8-10 oz of water and consume 30 minutes before training with or without food. To avoid restlessness, do not take within 4 hours of bedtime. Do not exceed more than one serving within 24 hours.

WARNING | Not intended for persons under the age of 18. Consult your health care professional prior to use if you have or suspect a medical condition, are taking prescription drugs or are pregnant or nursing. Caffeine intake is not advisable in cases of high blood pressure, pregnancy, diabetes or heart problems. The recommended dose of this product contains about as much caffeine as three and a half cups of coffee. Limit the amount of caffeine-containing medications, beverages or foods, as too much caffeine may cause nervousness, irritability, sleeplessness and occasionally rapid heart rates.

KEEP OUT OF REACH OF CHILDREN

Store in a cool, dry place away from sunlight & with lid securely tightened.
