

MAGNESIUM PRIORITY™ contains pure magnesium bisglycinate, a highly bioavailable form of magnesium. Magnesium is an essential mineral which has been found to be commonly deficient in the average American diet. Furthermore, many forms of supplemental magnesium are not readily absorbed by the gut (they are not bioavailable). Unlike many magnesium bisglycinate formulas, Magnesium Priority does not contain added magnesium oxide. Adequate magnesium intake is necessary for proper functioning of the cardiovascular system.*

LIFE PRIORITY

YOUR LIFE, OUR PRIORITY

MAGNESIUM PRIORITY™

Magnesium is an essential mineral that's involved in 300+ biological processes in the body.*

A Dietary Supplement

90 CAPSULES  

BASICS

Supplement Facts

Serving Size: 3 capsules

Servings Per Container: 30

Amount Per Serving	% Daily Value
Magnesium (as magnesium bisglycinate) 200 mg	50%

Other Ingredients: Cellulose capsule, ascorbyl palmitate. Non GMO, Gluten Free, Dairy Free, Soy Free

Suggested Use: Take 3-6 capsules per day in divided doses with meals or at bedtime. Since calcium and magnesium work synergistically, consider using Life Priority's 3-Way Calcium™ with Magnesium Priority.

Caution: Keep out of reach of children. For adults only or use as directed by your healthcare provider. This product should not be used by pregnant or lactating women, or persons with kidney disease or dysfunction. Store in a cool, dark, dry place. Shelf life: 2 years if unopened, 1 year if opened.

Safety sealed for your protection. Return for replacement if outer seal is broken.
