

**Nattokinase** supports healthy blood flow and circulation. Nattokinase is an enzyme extracted from Natto, a cheese-like food made from fermented soybeans. Nattokinase may contribute to the function of the heart and cardiovascular system by enhancing fibrinolytic activity.\*

This statement has not been evaluated by the Food and Drug Administration. This product is not intended to diagnose, treat, cure, or prevent any disease.

**Caution:** Keep out of reach of children. Use only as directed. Not for use by pregnant or lactating women. People with ulcers, recent or pending surgery, or recent major trauma should not take Nattokinase. Generally, people with bleeding disorders, or taking prescription blood thinners, should use this product only under the close supervision of a medical doctor.
