

Astaxanthin is a potent fat-soluble antioxidant from red marine microalgae that helps protect cell membranes from free radical damage.[†] Astaxanthin is one of the most potent antioxidants found in the carotene or xanthophyll family.[†] Astaxanthin helps support healthy skin texture and elasticity, vision health and joint health.[†] This formula uses AstaREAL[®] astaxanthin, one of the most studied brands of astaxanthin derived from *Haematococcus pluvialis* microalgae.

Warnings: Pregnant or lactating women and people with known medical conditions and/or taking drugs should consult with a qualified healthcare practitioner prior to taking dietary supplements. Discontinue use and consult your doctor if any adverse reactions occur.
