

Nature's Lab DIM 300 mg supports healthy estrogen and testosterone balance.[†] DIM (Diindolylmethane) is sourced from phytochemical compounds naturally found within cruciferous vegetables.[†] By modulating healthy hormone metabolism, DIM promotes increased physical stamina, positive mood and a host of other benefits for your well-being.[†] This formula also contains 5 mg of BioPerine[®] black pepper extract to enhance the bioavailability of DIM for increased absorption.[†]

Warnings: Pregnant or lactating women and people with known medical conditions and/or taking drugs should consult with a qualified healthcare practitioner prior to taking dietary supplements. Discontinue use and consult your doctor if any adverse reactions occur.

[†]These statements have not been evaluated by the Food and Drug Administration. This product is not intended to diagnose, treat, cure, or prevent any disease.
