

Support your heart health with **Nature's Lab Nattokinase 2,000 FU**. This formula harnesses the benefits of the traditional food, natto. Nattokinase is a unique enzyme created when soybeans are fermented to make natto. This plant-based enzyme derived from natto extract promotes healthy circulation throughout the body which supports the energy needs of the heart.[†] **Nattokinase 2,000 FU** contains 100 mg (2,000 fibrin units) of nattokinase per capsule.

Warnings: For adults only. Do not use if pregnant or nursing. People with known medical conditions and/or taking drugs should consult with a qualified healthcare practitioner prior to taking dietary supplements. Do not use if you are taking "blood thinning" medications (anticoagulants) or if you have any ongoing bleeding/coagulation problems. Discontinue use and consult your doctor if any adverse reactions occur.
