

Fruits are a source of flavonoids and other antioxidants, yet we may not get enough of these through diet. **Nature's Lab Super Antioxidant Support[†]** is a blend of several different berries and other fruit extracts including Goji Berry Extract, Acai Berry Extract, Mangosteen, Pomegranate Extract, and Noni Fruit Extract to support antioxidant health.[†] The addition of trans-resveratrol provides a polyphenol commonly found in grapes to further enhance antioxidant support.[†]

Nature's Lab Super Antioxidant Support[†]

- Supports antioxidant health[†]
- Includes whole fruit Mangosteen and four fruit extracts
- Trans-Resveratrol promotes brain health[†]
- Contains Vitaberry[®] fruit powder blend

Warnings: Pregnant or lactating women and people with known medical conditions and/or taking drugs should consult with a qualified healthcare practitioner prior to taking dietary supplements. Discontinue use and consult your doctor if any adverse reactions occur.
