[‡]Plant derived

*These statements have not been evaluated by the Food and Drug Administration. This product is not intended to diagnose, treat, cure, or prevent any disease.

Gender, age, and family history can determine your need for calcium supplementation. Those concerned about proper bone mass can take two to four tablets daily as needed or as directed by a physician.

Consult your physician before taking this product if you are pregnant, planning to become pregnant, nursing, under a doctor's care, taking any medications, or administering to children under the age of 18. Keep out of reach of children. Tamper-evident inner seal; if broken, do not accept. Store in a cool, dry, dark place.
