DIETARY SUPPLEMENT

NET WT. 1.9 LB (30.3 OZ) (858g)

NOTICE: USE THIS PRODUCT AS A FOOD SUPPLEMENT ONLY. DO NOT USE FOR WEIGHT REDUCTION

DIRECTIONS: As a dietary supplement mix one (1) scoop of Pro JYM™ in 6-12 oz. of water or milk depending on your preference for thickness and texture.

For better results consume Pro JYM within 30 minutes before workouts and within 30 minutes after workouts. Also consider taking Pro JYM when you first wake up each day, between regular meals, or before going to bed to help maximize lean muscle mass gains.*

MY GUARANTEE

"My Pro JYM protein powder is made from high-quality isolated proteins designed to fuel your body and muscles and aid recovery." Pro JYM's precise blend of whey protein isolate, micellar casein, and milk protein isolate is the perfect complement to your fitness program.*

My commitment to quality and results through transparency is why the front of this package lists the amount of each protein in every scoop of Pro JYM. Whole proteins only, nothing hidden.*

FITNESS IS ABOUT CHANGE. JYM HELPS MAKE IT DRAMATIC.

At JYM Supplement Science® we pride ourselves on educating individuals on all things training, nutrition, and supplementation. If you want to go beyond "average" and achieve profound results, you've come to the right place.*

WHERE DO YOU WANT TO GO?

You're a part of something bigger now: The JYM ARMY®. With a support system unlike any other in the fitness world, you're now poised to transform your body to peak levels. To that end, we've created a series of goal-specific resources to equip you with the knowledge you need to tackle - and conquer - your loftiest goals.*

Imagination is your only limitation. Head over to ProJYM.com/results to set your goals and see what training, nutrition, and supplementation guidance Jim Stappani, PhD offers to help turn your fitness dreams and desires into reality.*
