

SUGGESTED USE

Take 1 dropper (1 mL) 4 to 6 times throughout the day or as recommended by your healthcare practitioner. Shake before using.

Formulated for moms who did not experience an increase in breast size, plan to adoptive feed, or are trying to relactate*.

Discuss product use with a healthcare practitioner. Any ingested food has the potential for an allergic reaction. Discontinue use if side effects appear. Sealed for your protection.

Not for use during pregnancy.
Keep out of reach of children.
