

**RECOMMENDED USE:** For all-day energy, and to reduce fatigue<sup>A</sup>, swallow 2 ENERGIZE tablets with a full glass of water. Begin use with one-half the recommended dose for the first week (one tablet once a day). Do not exceed more than 2 tablets (1 serving) in any 24-hour period.

**WARNING: KEEP OUT OF REACH OF CHILDREN.** Not intended for use by persons under the age of 18. Consult with your primary physician prior to use if you have any pre-existing medical conditions, including high blood pressure, thyroid problems, nervous disorders, or if you are using MAO inhibitors or taking any prescription drugs. Each sustained-release tablet contains approx. 98 mg of caffeine. Individuals who are sensitive to caffeine should begin use with one-half the recommended dosage and limit the use of other caffeine-containing foods and drinks while taking this product because too much caffeine may cause nervousness, irritability, and sleeplessness. Do not use if pregnant or lactating. **STORE IN COOL DRY PLACE, AVOID EXCESSIVE HEAT.**
