It's fun to feel good.

A fast-acting, calming magnesium powder. **MagSoothe**® utilizes the highly bioavailable Magnesium Lysinate Glycinate Chelate exclusively from Albion®, plus co-factors.*

Jigsaw **MagSoothe**® was designed to be complementary to our top-selling, clinically tested MagSRT®. We recommend MagSRT® in the morning for the energizing benefits of magnesium malate and **MagSoothe**® in the evening for the calming properties of magnesium glycinate.*

Albion®, TRAACS® and the Albion Gold Medallion design are registered trademarks of Albion Laboratories, Inc. U.S. Patent 7,838,042.

Product of the U.S.A. with select ingredients thoughtfully curated from around the world.

Should not be used if tamper-evident seal is broken. Keep out of reach of children. Store in a cool, dry place.
