It's fun to feel good.

MagSRT® releases Albion® premier, patented dimagnesium malate gently into your body over an extended period of time. This highly absorbable magnesium, when combined with sustained release technology, results in a product that provides all the health benefits of magnesium without the common digestive discomfort associated with nearly all other magnesium supplements.\*

MagSRT® was evaluated in the **Scottsdale Magnesium Study** (SMS), a placebo-controlled, human clinical trial of 91 participants.
