Core Complex Herbalife Core Complex, a multi-action, scientifically advanced daily supplement packet targets key aspects of cardiovascular health.* Maintaining a healthy heart requires making sound lifestyle choices including a healthy diet and exercise. Core Complex is a convenient packet with supplements containing ingredients such as omega-3 fatty acids, eicosapentaenoic acid (EPA) and docosahexaenoic acid (DHA) sourced from ethyl esters and triglycerides, krill oil, and plant sterols to support four key aspects of heart health: cholesterol, triglycerides, homocysteine and oxidative stress.* This packet can become a part of your health-conscious lifestyle for healthy heart maintenance.*

actual size

Plant Sterols help support healthy cholesterol levels already within a normal range.* B Vitamins help to maintain healthy homocysteine levels that are already within a normal range.*

actual size

Herbalifeline® is a specially formulated blend of highly refined marine lipids with high quality omega-3 fatty acids, eicosapentaenoic acid (EPA) and docosahexaenoic acid (DHA), which help to maintain a healthy cardiovascular system by maintaining triglyceride levels already within a normal range.* Supplementing dietary omega-3s intake helps promote healthy blood pressure already within normal range.* Taking DHA regularly also helps to support normal brain function and vision.* Supportive but not conclusive research shows that consumption of EPA and DHA omega-3 fatty acids may reduce the risk of coronary heart disease.

actual size

Tri-Shield® is a proprietary blend formulated with omega-3 fatty acids from krill oil, which support cardiovascular health.*

actual size

CoQ10 Plus is specially formulated with coenzyme Q10 and vitamin D. CoQ10 provides energy to heart cells and protects cells from the damaging effects of oxidative stress.* This excellent source of vitamin D provides additional heart health support.*
