It's fun to feel good.

MagSRT® B-Free by Jigsaw Health releases Albion® premier patented dimagnesium malate gently into your body over an extended period of time. This highly absorbable magnesium, when combined with sustained release technology, results in a product that provides all the health benefits of magnesium without the common digestive discomfort associated with nearly all other magnesium supplements.*

This formula is based off the top-rated, best-selling, clinically tested **MagSRT® formula, but does not include any active B vitamins. **MagSRT®** was clinically tested in a placebo-controlled, human clinical trial. Learn more at: ScottsdaleMagnesiumStudy.com
