

**Suggested Usage:** Take 4 capsules daily, preferably in divided doses, with food.

Microcrystalline Hydroxyapatite (MCHA) is a compound that normally makes up the crystalline matrix of bone and teeth and is the substance that gives them their rigidity.\* MCHA contains highly absorbable calcium and phosphorus, which are the major mineral components of bone.\* NOW<sup>®</sup> Bone Strength<sup>™</sup> is a comprehensive bone support product with MCHA.\* It also provides magnesium and other important minerals, as well as vitamins C and D to aid in the synthesis and maintenance of bone tissue.\* NOW<sup>®</sup> Microcrystalline Hydroxyapatite (MCHA) is derived exclusively from Australian cattle.

\*These statements have not been evaluated by the Food and Drug Administration. This product is not intended to diagnose, treat, cure or prevent any disease.

Not manufactured with wheat, gluten, soy, milk, egg, fish or sesame ingredients. Produced in a GMP facility that processes other ingredients containing these allergens.

**Caution:** For adults only. Consult physician if pregnant/nursing, taking medication, or have a medical condition. Keep out of reach of children.

Natural color variation may occur in this product.

Store in a cool, dry place after opening.
