

General Health

Family owned since 1968.

Suggested Usage: Take 2 capsules 1 to 2 times daily.

NOW® Glucosamine & MSM with Chondroitin Sulfate combines three well-known joint support ingredients.* Glucosamine is an essential building block for the formation of glycosaminoglycans (GAGs) and proteoglycans, the main components of cartilage tissue.* These compounds promote water retention within the joint, giving it resiliency by acting as a lubricant and a means to absorb shock.* MSM (Methylsulfonylmethane) is an organic form of sulfur, a mineral necessary for the production of GAGs and proteoglycans.*

*These statements have not been evaluated by the Food and Drug Administration. This product is not intended to diagnose, treat, cure or prevent any disease.

Caution: Persons with a known allergy to shellfish should not use this product. Consult physician if pregnant/nursing, taking medication, or have a medical condition (especially glaucoma). Keep out of reach of children.

Natural color variation may occur in this product.

This bottle is made from 100% PCR (post-consumer recycled) resin.
