

Suggested Usage: Take 2 capsules daily.

Glucosamine is an essential building block for the formation of glycosaminoglycans (GAGs) and proteoglycans, the main components of cartilage tissue.* These compounds promote water retention within the joint, giving it resiliency by acting as a lubricant and a means to absorb shock.*

*These statements have not been evaluated by the Food and Drug Administration. This product is not intended to diagnose, treat, cure or prevent any disease.

Caution: Persons with a known allergy to shellfish should not use this product. For adults only. Consult physician if pregnant/nursing, taking medication, or have a medical condition. Keep out of reach of children.

Natural color variation may occur in this product.

Store in a cool, dry place after opening.

NOW Foods developed the glucosamine test method chosen as the official AOACI industry standard method.

This bottle is made from 100% PCR (post-consumer recycled) resin.
