Iron Complex

Essential Mineral

- Bioavailable Source of Iron
- Non-Constipating*

100 Tablets

A Dietary Supplement Vegetarian/Vegan

Suggested Usage: Take 1 tablet daily with a meal. NOW® Iron Complex is a unique blend of Ferrochel™ Iron (a bioavailable form of iron) and its important co-nutrients combined with complementary botanicals. Iron is a mineral required for the formation of hemoglobin, a molecule that transports oxygen to the cells throughout the body in red blood cells.* Vitamin B-12 and folate are necessary for red blood cell production, while vitamin C is known to enhance iron absorption from the GI tract.* This vegetarian formula is well-tolerated and non-constipating and has been designed to maximize iron absorption and utilization by the body.*

*These statements have not been evaluated by the Food and Drug Administration. This product is not intended to diagnose, treat, cure or prevent any disease.

WARNING: Accidental overdose of iron-containing products is a leading cause of fatal poisoning in children under 6. Keep this product out of the reach of children. In case of accidental overdose, call a doctor or poison control center immediately.

Caution: For adults only. Not intended for pregnant/nursing women. Consult physician if taking medication or have a medical condition. Keep out of reach of children.

Natural color variation may occur in this product. Store in a cool, dry place after opening.
