

Suggested Usage: Take 2 capsules daily with food. Joint Support™ is a combination of nutrients and other ingredients that help to support the formation and function of healthy joint tissue.* Joint Support™ provides vitamin C, manganese and copper, which are critical for the production and maintenance of healthy joint structures.* It also has zinc, B vitamins and Boswellin®, which can help to support the body's proper response to everyday joint stress.* Glucosamine is included as an essential structural component that is naturally present in bones and joints.*

*These statements have not been evaluated by the Food and Drug Administration. This product is not intended to diagnose, treat, cure or prevent any disease.

Not manufactured with wheat, gluten, soy, milk, egg, fish, tree nut or sesame ingredients. Produced in a GMP facility that processes other ingredients containing these allergens.

Caution: Persons with a known allergy to shellfish should not use this product. For adults only. Consult physician if pregnant/nursing, taking medication, or have a medical condition (especially glaucoma). Keep out of reach of children.

Natural color variation may occur in this product. Boswellin® is a registered trademark of Sabinsa Corp. This bottle is made from 100% PCR (post-consumer recycled) resin.
