

Suggested Usage: Mix 1 heaping tablespoon 1 to 2 times daily in juice or water.

Collagen Joint Support Powder is a combination of ingredients that help to support the formation and function of healthy joint tissue.* This product uses hydrolyzed collagen that has been enzymatically treated for ease of absorption, as well as MSM (methylsulfonylmethane), a biologically active form of sulfur, that serve as building blocks for collagen synthesis.* Glucosamine is included as an essential structural component that is naturally present in bones and joints.* Numerous clinical studies have demonstrated that glucosamine can help to support healthy joint structures and promote joint comfort.*

***These statements have not been evaluated by the Food and Drug Administration. This product is not intended to diagnose, treat, cure or prevent any disease.**

Caution: Persons with a known allergy to shellfish should not use this product. For adults only. Consult physician if pregnant/nursing, taking medication, or have a medical condition (especially glaucoma). Keep out of reach of children.

Natural color variation may occur in this product.
