L-Carnosine

500 mg

Healthy Aging*

- Supports Muscle Vitality*
- Free Radical Scavenger*
- Supports Cell Integrity*

50 Veg Capsules

A Dietary Supplement Vegetarian/Vegan

Suggested Usage: Take 1 capsule 1 to 3 times daily, preferably with food.

Carnosine (beta-alanyl-L-histidine) is a dipeptide, consisting of alanine and histidine. It is naturally found in high concentrations in muscles and nerve tissues and its levels are known to decrease with age. Carnosine protects cell and tissue structures during the aging process through its free-radical neutralizing and membrane-stabilizing functions.*
