

Suggested Usage: Take 1 capsule daily with a fat-containing meal.

NOW® Mega D-3 & MK-7 combines vitamins D-3 and K-2, two nutrients extensively researched for their roles in the health of bones, teeth and the cardiovascular system* Vitamin D-3 works with calcium to support bone health, and more recent studies indicate it's important for immune system health as well.* MenaQ7® MK-7 is a unique soy-free, bioavailable form of vitamin K-2 that plays a critical role in arterial health through its ability to support proper calcium metabolism in blood vessels and arteries* Vitamin K-2 is also important for the formation of strong, healthy bones.*

***These statements have not been evaluated by the Food and Drug Administration. This product is not intended to diagnose, treat, cure or prevent any disease.**

Caution: For adults only. Do not exceed the recommended dose. Consult physician if pregnant/nursing, taking any anti-coagulants (such as warfarin, Coumadin®, heparin), or other medications (especially topical psoriasis medications or thiazide diuretics), or have a medical condition (especially hypercalcemia, kidney disease, or hyperparathyroidism). Discontinue use two weeks prior to surgery. Keep out of reach of children.
