

SUGGESTED USAGE: Add 2 level scoops daily to 6-8 oz. of cold water or your favorite beverage. Stir or blend.

Peas are well known for being a source of highly bioavailable protein. Additionally, peas are not considered one of the major dietary allergens. Collectively, this makes pea protein an ideal source of post-workout nutrition for athletes who may have difficulty supplementing with other types of protein. NOW® Sports Organic Pea Protein is a non-GMO vegetable protein isolate that has 11 grams of easily digested protein. Each 2 scoop serving typically has over 2,100 mg of branched-chain amino acids (BCAAs), and over 1,000 mg of arginine. This organic pea protein is chocolate flavored, and mixes easily into your favorite beverages.

Not manufactured with yeast, wheat, gluten, soy, milk, egg, fish, shellfish or sesame ingredients. Produced in a GMP facility that processes other ingredients containing these allergens.

NOTICE: Use this product as a food supplement only. Do not use for weight reduction.

If you have cardiovascular disease, a blood clotting disorder, or impaired kidney function, please consult physician before consuming products with erythritol.

Natural color variation may occur in this product.

This product is sold by weight not volume.

Store in a cool, dry, dark place after opening.
