

DIRECTIONS: Dissolve 1 level scoop (6.3 g) into at least 6 oz of water or other beverage and consume once daily, or use as directed by your healthcare professional.

Consult your healthcare professional prior to use. Individuals taking medication should discuss potential interactions with their healthcare professional. Do not use if tamper seal is damaged.

GI Protect™ combines immunoglobulin concentrate with L-glutamine for proactive gastrointestinal system support. The colostral whey peptide-derived immunoglobulin concentrate is standardized to 40% IgG and delivers bioactive proteins and growth factors. This formula is designed for individuals with active lifestyles, weekend warriors, and dedicated athletes, providing targeted support for the gut mucosal barrier and promoting cytokine balance, immune health, gut health, and tissue repair.*

*These statements have not been evaluated by the Food and Drug Administration. This product is not intended to diagnose, treat, cure, or prevent any disease.

STORAGE: Keep closed in a cool, dry place out of reach of children.

FORMULATED TO EXCLUDE: Wheat, gluten, yeast, soy protein, fish, shellfish, peanuts, tree nuts, egg, sesame, ingredients derived from genetically modified organisms (GMOs), artificial colors, and artificial sweeteners.
