

DIRECTIONS: Take one capsule daily, preferably at mealtime, or as directed by your healthcare professional.

Consult your healthcare professional before use. Individuals taking blood thinners or other medication should discuss potential interactions with their healthcare professional. Do not use if tamper seal is damaged.

K2-D3 5000 contains vitamin K2 as menaquinone-7 (MK-7) and vitamin D3 as cholecalciferol. These bioavailable vitamin forms work together to manage calcium stores in the body. D3 is a cofactor for calcium absorption, and K2 directs calcium away from blood vessels to the bones, supporting cardiovascular and bone health.*

*These statements have not been evaluated by the Food and Drug Administration. This product is not intended to diagnose, treat, cure, or prevent any disease.

STORAGE: Keep closed in a cool, dry place out of reach of children.

FORMULATED TO EXCLUDE: Wheat, gluten, yeast, soy protein, dairy products, fish, shellfish, peanuts, tree nuts, egg, sesame, ingredients derived from genetically modified organisms (GMOs), artificial colors, and artificial sweeteners.
