

DIRECTIONS: Take 2 capsules with meals, twice daily, or use as directed by your healthcare professional.

Consult your healthcare professional prior to use. Individuals taking medication should discuss potential interactions with their healthcare professional. Do not use if tamper seal is damaged.

⚠️ WARNING: Risk of reproductive harm from exposure to lead. See www.P65Warnings.ca.gov

Ossopan MD™ combines standardized microcrystalline hydroxyapatite concentrate (MCHC) with key vitamins and minerals for comprehensive bone support. MCHC is a scientifically researched natural complex that contains the building blocks of healthy bone, including calcium, phosphorus, bioactive IGF growth factors, type I collagen, amino acids, glycosaminoglycans, and essential trace elements. Derived from one of the safest sources of premium bovine bone in the world, free-range New Zealand cattle, the MCHC, in this formula, provides comprehensive bone nourishment to support bone strength and structure.*
