

DIRECTIONS: Take two capsules daily, or use as directed by your healthcare professional.

Consult your healthcare professional before use. Individuals taking medication should discuss potential interactions with their healthcare professional. Do not use if tamper seal is damaged.

Quercetin 20x Plus is scientifically formulated to support the respiratory system, including nasal passages. It features Quercefit®, a highly absorbable Quercetin formulated with Phytosome™ technology, combined with nettle extract and antioxidant compounds to target immune-system-related pathways connected to respiratory symptoms.*
