

DIRECTIONS: Take 1 capsule twice daily, or use as directed by your healthcare professional.

Consult your healthcare professional prior to use. Individuals taking medication should discuss potential interactions with their healthcare professional. Do not use if tamper seal is damaged.

Resveratin™ Plus contains a powerful blend of polyphenols, including quercetin, a flavonol known for its antioxidant activity, and trans-resveratrol and trans-pterostilbene, stilbenoids known for their cardioprotective effects. These ingredients are selected for their quality, natural phytochemical form, and bioavailability. This formula is designed to promote healthy aging through cell-life regulation and support of heart and immune system health.*
